About Me

Sydney was brought to the shelter January as a stray with her baby. She was a mom doing her best to survive and protect her puppy. Her baby was adopted and Sydney was left behind. She has been waiting ever since. Day after day, watching other dogs leave while she stayed in her kennel. Wondering when it would be her turn. Sydney is just 2 years old. She has shared kennels with multiple dogs, showing she can coexist and have dog friends. She has done her time. She has been patient. She has done everything asked of her. ESCAPE ARTIST. Heavy duty crate recommended
